

SKU# 280-2500

The *Shopper's Aid*™ allows ample space to comfortably seat passengers of all sizes and ages. The *Shopper's Aid*™ will comfortably accommodate two children or one adult passenger. Built with safety, durability and your shopper's needs in mind.

### A CHILD AND ADULT MOBILITY PRODUCT WHERE SAFETY AND DURABILITY COME FIRST!

- Seating for either two (2) children with seat belts, or one (1) adult. Or a baby in a carrier using the *Baby Carrier*® option.
- Tubular steel arm rests on the cart prevent the child from hanging off to the side of the cart, while maintaining comfort and stability.
- The seat design forces children to face forward vs. angled out to the side of the cart.
- Extra storage under the seat offers convenience for the shopper and also means additional dollars at the register.
- The cart is designed with solid steel construction, anti-slip floor surface, tubular frame, and a comfortable plastic slat bench seat that is easy to clean.
- Adjustable in length from the shopping cart to the bench seat for added comfort and safety.
- Warranty: 1 year parts/90 days labor

Fold seat back down for baby carrier. Up for other passengers' use.

### BABY CARRIER® OPTION

The *Baby Carrier*® by Mart Cart®, added to the *Shopper's Aid*™, allows babies to ride safely in their own carrier.
